

COME on a life-changing journey with
LIU POST
Department of Counseling and Development to

Rwanda

HEAR the Stories of Survivors

BRING hope to a Child

WALK among their way of life

Trip also includes: A visit to the Rwandan Genocide Museum, seeing the gorillas, and the opportunity to establish a Mental Health Clinic. You will compare and learn about the mental health system in Rwanda and the United States. This is a study-abroad course where students can earn credits.

JULY 28 – AUGUST 7, 2012
